Municipal Plan presented

Elk Point's proposed General Municipal Plan was presented to the public Wednesday evening at an Open House in the Elk Point Municipal Library.

Plans for future growth include tripling the area of the town, adding a curved traffic collector road through the residential areas, and circling the south and west boundaries with an arterial road. Large areas of highway commercial space along Highway 41 and Secondary Highway 646 are included in the plan.

Industrial development in the new plan is confined to the area east of Highway 41, except for two small areas between the railway track and Secondary 646, west of Highway 41. A special study area is designated for the trackage between Highway 41 and 54 Street.

Municipal Planner Ron Denboer, Administrator Pat Vincent and several members of Town Council were on hand at the Open House, to explain the plan and the Town's planning goals.

Top billing on the list of goals is to establish an appropriate land strategy for the community, and then to strengthen and diversify Elk Point's economic base, while maintaining its "small town" character.

Encouragement of an appropriate level of community services and facilities, along with high quality development standards, preservation of the natural landscape, prevention of pollution, and maintenance of the Town's financial stability come further down the list. The Town also wants to guide all planning-related matters which affect the community.

Dent to speak at Ag Week meeting

Assistant Deputy Minister of Agriculture for Field Services, Bill Dent, will be the featured speaker at an evening meeting of the Elk Point Chamber of Commerce scheduled for Wednesday, March 12, in celebration of Agriculture Week. District Agriculturist Kirsty Piquette and District Home Economist Becky Lore will also address the meeting.

The meeting will be held in the banquet room of the Empress

Restaurant, with a smorgasbord supper (at the usual price) at 6:30 p.m., and the speakers to follow at 7:30 p.m. Coffee and cake, courtesy of the Chamber will be served during the evening.

A special invitation is extended to the rural community to join with the Chamber for this informative evening. Anyone unable to attend the supper is invited to drop in later and hear the speakers.

Men's Open Bonspiel

GRAND CHALLENGE WINNERS — Of Elk Point Men's Open Bonspiel were (back row, l-r) Noel Looy, Lorne and Don Bury and Wally Popik of St. Paul.

Vermilion rinkmates (front, l-r) Dean Jacula, Gord Watling, Tom McPhee and John Scruten placed second. (Story on Page 2).

Land annexation hearing held

An annexation hearing last Wednesday in Elk Point Town Council Chambers studied in detail an application by the Town of Elk Point to annex two parcels of land totalling approximately 240 acres for further industrial development.

The parcels include the east half of SW $\frac{1}{4}$ -7-57-6-W4, which is directly east of the present industrial subdivision, and the quarter section to the north, NW $\frac{1}{4}$ -7-57-6-W4.

Local Authorities Board Chairman Charles Shelley and Board

member John Hammond were on hand for the hearing, as were Mayor Ed Buck, Town Administrator Pat Vincent, Municipal Planner Ron Denbaer and an assessor from the Department of Municipal Affairs.

Mayor Buck told the LAB that Town Council is "quite excited" about the steady growth which has created a need to annex more land, and said that the growth is closely following the scenarios projected in the Community Impact Assessment Study.

Pat Vincent outlined the

reasons for annexing more land to counteract the "high absorption rate" of Elk Point's industrial land, and thus prevent losing industrial land to rural areas and other towns. Vincent noted that if these two parcels were annexed it would provide sufficient industrial land to meet the needs of the next fifteen years.

Vincent was questioned regarding last year's fears that rapid growth would change the Town. Both he and Mayor Buck replied that the town is adapting well,

with the newcomers mixing into the community. The Mayor added that Elk Point was one of the towns which had "survived the prairie shutdown", because young people stayed in Elk Point and helped keep the town alive and growing.

Letters approving the annexation were read from the County of St. Paul, Alberta Transportation, Alberta Environment, and Alberta Agriculture.

The lone objection came in the form of a letter to the Town, regarding the East half of

SW $\frac{1}{4}$ -7-57-6-W4, with these concerns by Mrs. Joanne Andrishak passed along to the LAB.

LAB Chairman Charles Shelley told the Town that approval could be in whole or in part, or could be withheld. If it is approved, the effective date would be December 31, 1986. He told those present that if the application was rejected, there could be no appeal, as decision would be final.

The decision could be forthcoming in about three weeks, Shelley said.

HOCKEY
TONIGHT!

Elk Point Elks vs Bonnyville Pontiacs

8:30 p.m. — A.G. Ross Arena

Visiting rinks sweep bonspiel

Rinks from St. Paul, Edmonton and Bonnyville took the trophies in the last weekend's Elk Point Men's Open Bonspiel. Forty rinks took part in the four-day spiel.

St. Paul's Noel Looy skipped the Grand Challenge winners, with the Canadian Salt trophies and gas barbecues going to Looy and rinkmates Lorne and Don Buryn and Wally Popik. Second place went to a Vermilion rink skipped by Dean Jacula, for a prize of shop vacuums, while third prize of cordless screwdrivers went to the Jack Tarnowsky rink and fourth prize, vests, to the Cliff Martin foursome.

In the Second Event, Yesterday's Grill, Bar and Lounge rink from Edmonton, skipped by Dan Holowaychuk, took home the Zarowny Motors trophies and a prize of angle grinders. Snowboots went to the second place Mike Warholik rink from St. Paul. The John Zayonce rink, in third place, received truck seat covers, while the Bob's Trenching rink, in fourth place, took home stainless steel thermoses.

The JMB Crushing Systems trophies for the Third Event were presented to a Bonnyville rink skipped by Jim Rupp, along with oxygen torch kits. Truck winter fronts went to the St. Paul rink, skipped by Wally Kormish for second place, while knives and curling pants went to the Triangle Mechanical rink and Bill Pacholek rink for third and fourth places.

Donors contributing to the prizes were: St. Paul Co-op, St. Paul Macleods, Work Wearhouse, Acklands, Wolanuk's Fashions and Foods, Bumper to Bumper (St. Paul), Ultimate Upholstery, United Oilseeds Producers, George's General Service, Elk Point Insurance & Realty, Treasury Branch and Tarsands Steam Cleaning.

THANK YOU

To all the volunteers who did such a good job of canvassing the town for the Alberta Heart Foundation.

Special thanks to all the donors who were very generous and gave us a grand total of over \$1,600.00.

Thanks again from your co-ordinator and the Heart Foundation.

SECOND EVENT WINNERS — Were the Silversides and Kevin Potruff, who defeated (front l-r) Edmonton based Yesterday's Grill, Bar and Lounge Mike Warholik, Jim Penz, Don Brown and Guy rink (back, l-r) Dan Holowaychuk, Jim Mudryk, Tom VanBrabant of St. Paul.

Good turnout at Elk Point Surface Rights meeting

Elk Point Surface Rights Association met last week for their Annual Meeting, with a very good crowd in attendance.

Alban Bugej was returned as President of the association, with Harvey Aarbo, Ray Danyluk, John Dorey, Sylvester Woytkiw, Albert Naber and Gabe Ennes as directors.

Traffic and road problems in the oilfield came under discussion, while Bugej noting that a recent meeting between the various levels of government and the Heavy Oil and Oil Sands Advisory Committee to discuss this matter had been cancelled.

A subsequent resolution was put forth by Harvey Aarbo, suggesting that "the Heavy Oil and Oil Sands Advisory Committee be dissolved because of interference with the NADC and the unjustified enormous cost" (of maintaining the committee). Aarbo said that the committee "never talks to the people" but rather confines their discussions to local government officials. He also noted that the Northern Alberta Development Council "does a lot in this area" to deal with problems stemming from oilfield development.

It was announced, that the air

monitoring study by the Lindbergh Environmental Study Group now has a full year of data, plus a large collection of data on water tests. A meeting was set for Tuesday, April 15 at King George Hall, at which this data will be presented to the public.

Four guest speakers took up the balance of the evening. Beverley Baylis of the ERCB Energy Information Centre in the Elk Point Municipal Library reported on the establishment of the Centre, which is the first of its kind in Alberta, and is operating for an 18 month trial period.

Larry Brochy and Bob Onciul of the Development and Reclamation Committee of Alberta Energy and Natural Resources gave a very informative talk, interspersed with slides, on the operation of their department and how it helps to make sure land is returned to a usable state after being used for drilling, mining or pipelines.

Lloydminster lawyer Julian Bodnar gave an overview of new points in surface rights legislation and the effect these have on the landowner. He brought with him a Saskatchewan Surface Rights Association member who outlined the similarities and differences between surface rights in the two provinces.

President's report next week.

Talent abounds at show

The Associated Canadian Travellers did not have far to search for a wide variety of talent, when they brought their Search For Talent to Elk Point on Saturday evening.

Twenty two acts, and two guest performances, made it a star-studded evening with their songs, dances, music and comedy lasting nearly three entertainment-filled hours.

The guest performers, too young to compete in the Junior division, which starts at eight years of age, were Karac Hendricks of Heinsburg, who sang to the accompaniment of his Uncle Rob, and Group I, Elk Point Ukrainian Dancers.

Ten entrants took part in the Junior division, with young violin virtuoso Joseph Hertz of Derwent receiving a well deserved first prize for his rendition of the "Irish Washerwoman". Second prize went to a trio of tiny ballerinas, Elisabeth Ludlage, Kara Serniak and Diane Baranowski, while third went to top dancer Audrey Ewart of St. Paul.

In the senior, or Sunwapa category, which is sponsored by CFRN, three sets of prizes were awarded. A young flutist from Boyle, Alberta, Daniel (last name unavailable), won first prize in the Advanced Performers category for his brilliant efforts, while Francine

Noel of St. Paul placed second with her country-and-western song backed up by the Prairie Ramblers band.

First prize winners in the Dance section were Elk Point Ukrainian Dance Group IV, consisting of Anna Fedorus, Glenna Grykuliak, Dwayne Vogel and Sheldon Porcina, while second place went to St. Paul Jazz Dancer Anne Fenton and third to Elk Point Ukrainian Dance Group III.

In the Variety category, Margaret Bayduza placed first with a classic

piano number, Lisa Grekul of St. Paul came second with a vocal rendition of "We Are The World", and Lindbergh comedian Monte Scott placed third with a humorous account of his trip to the dentist.

A total of twelve performances made up the senior category.

A number of the winners for this and other Search for Talent shows will take part in the televised Search for Talent Finals in Edmonton on April 26.

MULTI-TALENTED — Margaret Bayduza won the Variety section with this piano number, and was also part of the third place Ukrainian Dance Group III.

Bantam hockey

By Shirley Osinchuk

The Bantams played and won their last league game against Lloydminster on Tues., Feb. 25.

Saturday saw an exciting game with Tofield, in Elk Point. This was the second in the two game, total point Provincial series between the teams. Tofield came with a one point lead, after winning by one goal in Tofield last Saturday.

After three periods of fast, hard-hitting hockey the score was 8-3 for Elk Point. Since other series are going on now, they don't know which team they will play next in Provincials.

No names are mentioned here for scoring because it was a great total team effort. Congratulations to the members who made points, and to all the rest who helped them out.

Two big wins for Peewees

Elk Point Co-op Peewees had two big wins last week, crushing Bonnyville 17-5 in a league playoff on Thursday, and blowing away Lac La Biche 22-1 in the first game of Round 2 of the Provincials.

Kevin Bates was high scorer in the Bonnyville game, with five goals and two assists, while Robin Yakemchuk was top scorer in the Provincial game with four goals and two assists. There will be no rematch in this round of Provincial playoffs, while the next round of league playoffs will be against St. Paul.

PINT SIZED PERFORMER — Karac Hendricks of Heinsburg was a guest performer at the ACT Search for Talent. The Search is a short one, with performers like this around!

Education Week

It's Education Week.

At F.G. Miller High School, there will be displays all week, a dress-up day on Thursday, and awards to the winners of book report, essay and school pin design contests, with the Science Fair keeping things active into the following week.

At Elk Point Elementary, Wednesday will be the busiest day, with the Science Fair, School Fair, and Open House all scheduled.

Heinsburg School's activities for the week also include a Science Fair on Wednesday.

As the students, teachers and support staff of these and all the other schools in the area get ready to display their ac-

complishments, we congratulate them on their efforts and achievements.

Learning has always been a challenge, but now it is also an interesting and often fun-filled experience, thanks to the innovative teaching methods developed in recent years. The "Three R's" have become only the beginning of extensive curriculums which include everything from art and aerobics to zoology, and result in graduates with a wide range of knowledge.

Sorry to all the contributors whose Education Week submissions were not included in this issue — we're short of space again! — but thanks for your interest and time. We appreciate it.

ELK POINT TIGERS — Were "B" side winners in their Mighty Mite tournament Saturday, with a 6-5 win over Bonnyville Panthers wiping out their first game 8-6 loss to Mallaig. Top scorers in the tournament were

Jason Morris and Darcy Pankiw with 4 goals apiece and Irwin Easthope with three goals. The trophy is courtesy of Fort George Feeders.

Local talent

This past weekend may not have brought Halley's Comet to Elk Point, but it did bring out the stars.

Stars on ice, and stars on stage. In 'real life', they are the young people of this community, but this weekend, they took the place of television and movies to provide us with two evenings filled with entertainment.

Friday night's Ice Carnival, with its colorful costumes, had performers from preschool to high school age, all out there doing their best and earning every bit of the thunderous applause. It was interesting to see

that of the talented guest skaters, it was the former Elk Point Figure Skating Club members who drew the loudest acclaim by the audience.

Saturday night again affirmed that you don't need to go far to find talent, this time in the form of musicians, singers, dancers and even a very funny stand-up comedian. Five of eleven winning acts from this regional talent show were from Elk Point and one from Derwent, with three more from St. Paul. Only one of the winners was from outside a 35 km radius of Elk Point.

Have we got talent? You bet we have! Ice Capades, Tommy Hunter and Wayne and Schuster, Look Out!

Recreation Corner

By Linda Simpson
Recreation Director

Gymnastics Reminder: Don't forget that tomorrow's gymnastics session will be postponed. A make-up session will be held on April 10th.

'Stretching Your Community Dollar' Seminar: This informative one day session will be held on April 2nd in St. Paul. Staff from various provincial government departments and private foundations will inform you of funding programs that can aid your group with community projects. \$6.00 is all it costs. Registration forms are available at the Recreation Office.

Fitness Workshops: Lakeland College is offering a number of workshops dealing with many aspects of fitness including Prenatal

Fitness, CPR, Athletic First Aid, and Bicycling for Fitness. These workshops are excellent for instructors and just about anyone who is interested in learning. Phone the Recreation Office at 724-4074 for more detailed information.

Dash n' Splash: Don't forget the bus travels to the St. Paul pool this weekend and March 22nd.

Winter Clothes Out: Due to the unusually warm weather, there may be some question about this event to be held on March 9th at the Lindbergh Curling Rink. Although it is almost definite that cross-country skiing is out, a slight cold snap could enable us to skate and curl. If you are interested in attending the event, please phone the Recreation Office on

Thursday or Friday to hear our definite plans.

Theory 1 Coaching Clinic: This Clinic will be held this weekend in St. Paul. Phone 645-5313 to register or find out more.

10 km Fun (?) Run: Vermilion is holding a Fun Run of 10 km on June 1st. They are also holding some not-so-fun runs of 26 mile length and 50 mile length. If you are interested in jogging along, now's the time to start training. For more information or some training advice, phone the Recreation Office at 724-4074.

The fitness tip for the day comes from ...where else, but the Farmer's Almanac: "The trouble with jogging is that by the time you realize that you are in no condition for it, you've got a long walk to get back."

Teachers should rekindle the flame

Teachers need to rekindle their fires if they are to prepare their pupils for the future. Dr. Pierre Turgeon, a University of Ottawa Psychology Professor told teachers attending the 18th Annual North East Convention that educators must be loving and caring to their students, but he warned that 'time-out' for themselves is important to prevent burnout.

Turgeon, who is a past president of the Canadian Guidance and Counselling Association said, "We are not always aware of the way we project ourselves and as a result pupils interact with the moods and values of their teacher."

Home, career and self are key aspects in the life of an individual. As we live our lives, we need to surround

ourselves with other humans, but it is necessary to take time to relax and be alone at times, claims the Ottawa psychologist. He stated, "We get coned into believing we can relax on holidays and weekends, but in reality we need to recharge ourselves on a daily basis, if we are to influence our daily contacts."

The Ottawa professor claims that, "because education is a noble profession, teachers must make mother earth a haven for children—this is our role." He added, "Children must perceive their role models as loving, helpful and caring."

According to Turgeon, our ability to serve others is directly proportional to how we care for ourselves—if we overload our experiences, the end

result is burnout. Humans too often have more time for others than for themselves and the proverbial "get up and go—got up and went."

He quoted, "Sometimes life grows dreary and dim, but other individuals can brighten our candle and those persons can be thanked for their efforts and loving care."

Dr. Turgeon concluded, "While we marvel at the fast pace of life, we must take time to make it work for us by taking time for ourselves in order to help others."

Over 1,800 teachers from the following areas attended the two-day convention held in Edmonton: Athabasca, Fort McMurray, Lac La Biche, Lakeland, Lamont, Medley, Northland, St. Paul, Smoky Lake, Two Hills, Thorhild and Vegreville.

Bored of Education

Visit to the St. Paul Journal

On Thursday, February 13, the Language Option Class travelled to the St. Paul Journal. Once inside the class began to tour the facilities. The staff at the Journal welcomed us with open arms. They explained the complicated task of printing a paper and how the many machines operated. We thank the staff at the Journal for allowing us the privilege of the tour. We also would like to mention that the trip to the Journal clarified many thoughts as to how a paper is produced.

SEEING HOW IT'S DONE — F.G. Miller's Grade 9 Language Arts Option students, creators of Bored of Education, visited the St. Paul Journal last month to see how their copy gets transformed into part of the Lakeland Review.

New faces

Jean Wyndham is a new grade 8 student of the F.G. Miller Jr./Sr. High School, during the last week of January. She originally came from Kamloops but moved at the age of two, to a small southern town of approximately half the population of Elk Point, called Acme. While in Acme she attended the Linden Dr. Elliot School. She has four cats, one dog, and a guinea pig. Whenever she can she likes to ride horses.

She just moved to our town and finds the residents quite friendly. We all welcome you and your family.

Miss Michelle Wong was a recent Student Teacher at the F.G. Miller High School. She previously taught for four weeks at Glen Avon School. She is now in her third year at the University of Alberta.

Born on March 10, Michelle is a 20 year resident of St. Paul, majoring in Drama and minoring in English. Michelle said she prefers teaching rural schools. Her hobbies include music, collecting comics, cooking, attending live theatre, listening to "pop" music and above all playwriting. Some of Michelle's other career aspirations include becoming a police officer or getting a degree in child psychology. We'd like to thank Michelle Wong for the exciting four weeks she spent with us. We're convinced that she'll make an excellent teacher.

We would like to introduce you to the superintendent for the County of St. Paul, who is Mr. Cledwin Hayden Jones. Mr. Hayden Jones has replaced the former superintendent, Mr. Bill Webb, as of September 1, 1985. Mr. Hayden Jones has previously worked in Lloydminster, Alberta and Kindersly, Saskatchewan as an assistant to the superintendents.

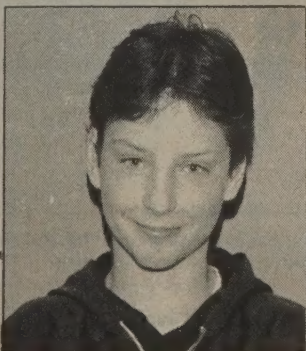

He is originally from Bangor, Gwynedd, Wales of the United Kingdom, and is currently living at Lotty Lake, Alberta. He has a wife, Julie and three children, John who is 18, David who is 14, and Elizabeth who is 9. Julie, David, and Elizabeth are currently living in Lloydminster, while his eldest son, John is living in Montreal. Although Julie, David, and Elizabeth are living in Lloydminster now, they are planning to join him here in St. Paul soon.

We would like to welcome you, Mr. Hayden Jones and your family, to the County of St. Paul. We hope you have enjoyed your first few months here as we surely have!

Kim Hawryluk joined the grade 7 class of F.G. Miller High School this year. Kim is 13 years old and has moved from Edmonton here to Elk Point.

He enjoys playing hockey and building models as hobbies. Kim enjoys listening to Van Halen and says his favorite rock video is "Tears are not enough".

Welcome to Elk Point Kim.

KIM HAWRYLUK

LAKELAND THEATRE COMPANY — Wowed their Elk Point audience with "Ham-let", "Two Spies" and "Cinder Riley". Here, Cinder Riley (Jayne Pelech) is berated by her wicked stepmother (Faye Smith) as her punk rocker step-brothers (Anthony Bayduza and Brent Ockerman) look on.

FGM acts up

On February 5th, the Grade 9 Language Arts Option class presented Hamlet in a joined effort with the Lakeland Theatre Co. who presented 'Cinder Riley'. The play was a great success. We would like to thank Micheal Habiak for a prop and Mr. John Oryshchuk for delivering it. We would also like to thank Mrs. Ksenia Kissel for some of the

costumes, and all of the parents who gave their support. A special thanks goes out to Mr. Pidluzny for supplying some props, the P.A. system and for operating the video equipment. But the biggest thanks of all goes out to those who braved the cold weather to attend the performance!

Tracy Oryshchuk
Joanne Wozniak

St. Patrick sat alone,
Wondering what to do?
"Me, oh me, oh my!
Would take me not to have any gold!
What kind of a leprechaun tis that?
I've forgotten something, but what??
What would bring me luck?
Tis green, that I know, and
grows and grows and grows,
but yet not necessary in rows.
It scatters through the country,
giving luck away,
but only for the lucky ones

who find them hidden away!
I need a FOUR LEAF CLOVER...
Tis that what I'm looking for!

St. Patrick dashed into the bush
and came out bright and cheery,
for in his hand he held,
a four leaf clover, with golden tips!

This day has started a tradition,
one that will never end.
The luck of the Irish is passed on
through the four leaf clover on March 17th!

Bulletin Board

Citrus Fruit Sale

The students of F.G. Miller were selling citrus fruit on February 5th, which benefitted the students union. The fruit sale was a great success, it brought in approximately \$600.00.

Awards Night

On February 26, the F.G. Miller Jr./Sr. High School held their annual Awards Night. We are glad to say that there was a great response, in both attendance and donors. Although Awards Night was only one evening it took many days of preparation to make it the success it was. Special thanks go to three very hard working staff from our school, Mr. Tredger, Mrs. Gulayec, and Mrs. Kissel for their hard work and organization. We would also like to give a very, very special thank-you to the people who really made it happen, the students, the teachers, and the donors. Thanks a million!

Basketball

On February 1st, the F.G. Miller Jr. High Basketball team participated in a tournament in Bonnyville. Both teams did very well, the girls took 1st in the 'C' event while the boys took 1st in the 'A' event.

The girls played a total of three games, the first against Bonnyville. They lost with a close score of 26-25. They then played against Wildwood who beat them with a score of 23-13. Finally they played Iron River, beating them with a score of 26-13.

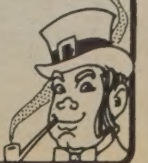

Both Basketball teams played Glen Avon on February 27th at St. Paul. The girls played a three minute overtime and defeated Glen Avon 43-45. The boys played well, but unfortunately were defeated 28-44.

The girls will be travelling to Ashmont on the 1st of March for a tournament. We wish you the best of luck.

Around the world - on ice

"We Are The World" was the theme for the Elk Point Skating Club's 10th Annual Ice Carnival, presented to a large and appreciative crowd Friday night. Both local and guest skaters drew thunderous applause from the spectators, with their graceful moves and colorful costumes.

The event was opened by a huge color party, escorted onto the ice by flag bearers from the Elk Point RCMP Ringettes and the No. 2645 Loyal Edmonton Regiment Army Cadet Corps. Taking part in the opening ceremonies were representatives of the RCMP, County of St. Paul, Town of Elk Point, and numerous local organizations. Ron Barwick, who had also played the drum march for the Cadets and Ringette players, led O Canada with his trumpet.

Following a message of greeting from Skating Club President Sharil Baumgardner, the carnival got underway with the appearance of a bevy of 4 to 6 year olds dressed to represent the many ethnic groups and occupations you would discover while "Crossing Canada". Taking part in this number were Matthew Veer, Renee Ringuette, Donna Pinder, Nathan Matthews, Robin Danyluk, Clark Drury, Michelle Hutton, B.J. Ballas, Pamela Veer, Melissa Langdone, Christa Lypka and Craig Hutton.

The evening's first soloist was Tobey Conrad, clad in a burgundy costume, who performed to the music

of the "Dynasty" theme.

Three tiny Mexicans, with huge hats and flaring red capes, presented "Ole Mexico". These three young men were from the pre-beginner group, and were Spencer Easthope, Peter Danyluk and Benjamin Matthews.

The evening's second solo was by Callie Baumgardner, dressed in bright yellow, trimmed with gold and green sequins, and skating to the old English melody, "Greensleeves".

"A Song for All Nations" was performed by the Elementary group members, Carrie Piotrowski, Matthew Veer, Melissa Easthope, Renee Ringuette, Sharon Boratynec and Wendy Boratynec, with the girls, dressed in brightly colored pinafores and floppy hats, and the boys with colorful v-neck vests, exhibiting their pair skating skills.

Leah Yakemchuk performed the next solo, dressed in powder blue and dancing on ice to a rollicking tune.

Coolie hats and ceremonial bows were part of the next number, with "China Dolls" Rebekah Matthews, Dennell Anderson, Rebekka Boychuk, Carrie Baumgardner, Joni Matthews and Mary Easthope skating to an Oriental music selection.

The next soloist of the evening was Elizabeth Ludlage, dressed in sequined royal blue. She was followed on the program by the first of two numbers by the visiting Vermilion Precision

Team, "Sharp Edges", who showed considerable skill in their complex routines.

Following a brief intermission, the audience was entertained by several selections by the School Band, led by Don Buryn, and performing very well even if their feet were getting chilly due to their on-ice location.

Guest skaters, coaches and the announcer, Lawrence Pidluzny, were then called upon to accept gifts presented by the Club executive.

The first item on the second half of the program was a very skilled performance by guest skater Gina Capjack, from the Derrick Figure Skating Club in Edmonton. She is the daughter of Linda and Clarence Capjack, formerly of Elk Point, and has been skating for seven years.

The music of the islands heralded the arrival of a quintet of Hula girls, with Lana Kozicky, Cindy Smith, Dorothea Naber, Kelly Ballas and Amanda Ballas swishing their 'grass' skirts to "Lovely Hula Hands".

The last local soloist was one who has been in the club for the shortest time, but Shauna Loughran has made the most of her two years of training, and put on a fine performance. She was followed by former Club member Katharina Ludlage, who is now a member of the St. Paul Figure Skating Club. Dressed in bright fuschia, she skated gracefully to the "Sound of Music".

Guest skater Patti-Anne Laboucane, also of the St. Paul Club, is no stranger to Elk Point audiences, having been part of our carnival in the past. She was warmly welcomed as she performed to a modern dance tune.

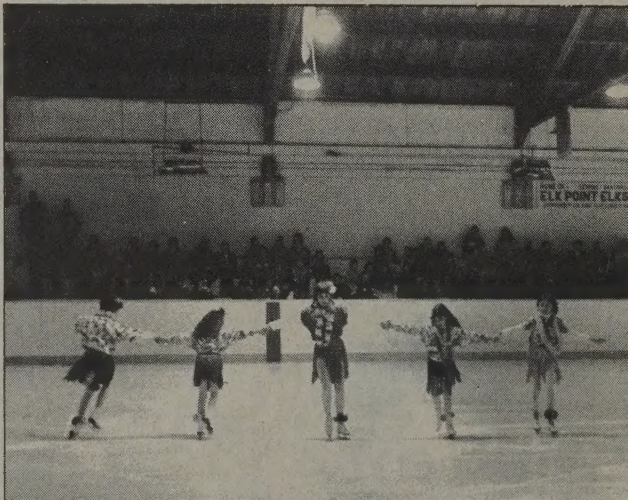

It's a long way to Tipperary, but the four "Irish Colleens" who took part in the next number were all ready for St. Patrick's Day in their bright green costumes: Lindsay Liebrecht, Charlene Anderson, Christina Estey and Suzy Rae.

The evening's final guest skater was another former club member, now taking lessons in St. Paul. Cynthia Oester was welcomed home with much applause as she performed her routine, dressed in eye-catching cerise.

Top hats, tails and canes were the order of the day for Leah Yakemchuk, Shauna Loughran, Elizabeth Ludlage, Tobey Conrad, Callie Baumgardner and Tanya Kenyon, as they skated "American Broadway" to "There's No Business Like Show Business".

During a brief halt in the skating, Debbie Ballas of the Skating Club presented a sizeable cheque representing the Skate-A-Thon proceeds, to Orest Capjack of the Agricultural Society. The raffle draw for gift certificates from the Empress Family Restaurant was also made at that time, with the winners being Don Kadutski, Denise Kissel and Linda Boratynec.

Following the second number by "Sharp Edges", all the guest skaters joined in with the local 'stars on ice' for a colorful Grand Finale, to bring the carnival to a close.

FAR FROM WAIKIKI — But grass skirts, leis and "Lovely Hula Hands" brought warmth to Elk Point's Ice Carnival Friday night.

Grand opening at Country Bulk Food

Expansion in new directions has given a long-established Elk Point business a totally new look. Country Bulk Food, owned and operated by Roy and Doreen Watson, celebrated their Grand Opening last week with a steady stream of customers coming to visit the recently renovated premises.

Cheerful gingham curtains, antique grocery containers and household goods of years long past give the store a country-fresh appeal and the friendly atmosphere of an old-time general

store. The multiple facets of the business, which includes a self-contained barber shop, Sears order office and wide range of wicker and giftware in addition to the bulk foods, adds to this impression.

The Watsons have been in business in Elk Point since 1972, when Roy opened the Elk Point Billiards and Barber Shop on Main Street. Doreen took over the Sears Order Office in January 1974, and joined Roy in his shop until 1979. At this time, the Sears office moved into the garage at the

Watson home.

The Barber Shop, Sears Office and new lines of sporting goods, custom caps and T-shirts became part of the Watsons Sporting Goods, which opened in the present location in 1981, with giftware later becoming part of the merchandise.

The Bulk food concept has been in

the planning stages for about 1½ years, as the Watsons talked to owners of bulk food stores across Alberta and B.C. Theirs is a "different idea" of bulk food, Doreen notes. "We buy in bulk, then prepackage the stock to avoid over-handling and possible loss of flavor." This way, the Watsons feel they can

give bulk prices while maintaining quality and freshness.

More new items are coming in all the time, Doreen said, and many of these are "things we hadn't originally thought of", such as the semolina flour one customer requested for noodle making. "We can special-order what you want, if you give us time," she added.

Two lines of Mundare-manufactured sausage, fresh fruits and vegetables in season are also available at Country Bulk Foods.

Summer employment for students

By Don Mazankowski, M.P.

The deadline for applications for funding under this program has been established as March 31, 1986. I strongly encourage small businesses and non-profit organizations to secure any necessary information from the nearest Canada Employment Centre and submit applications, just as soon as possible. Completed forms should be mailed to: Employment and Immigration Canada, Employment Development Branch, #1101, 10045-111 Street, Edmonton, Alberta. T5K 2M5. Tel.: 420-4030,

420-4461, 420-4454, 420-4450.

Full time students who plan to continue their studies in the fall and who are legally entitled to work in Canada are eligible to become employees under Challenge '86. For Seed jobs, students MUST be referred by a Canada Employment Centre or Canada Employment Centre for Students. Students are encouraged to register as soon as possible with their local CEC or CEC-S. Students registered at a CEC will be referred to their local CEC-S once it opens in April.

Local cattle at Northlands

FEBRUARY 24, 1986, EDMONTON, ALBERTA: A round-up of livestock entries have been received for Northlands Western, March 26-29, 1986, during the 75th anniversary of Northlands Stock Show and Sale at Northlands AgriCom.

Of 438 beef cattle entries and 90 swine entries, the following people from the Lakeland Review district will be participating in the show and sale: Erica Elliot - Dewberry - 1 Polled Hereford Bull, 2 Polled Hereford Bulls.

Many exciting activities are to be found at Northlands Western, March 26-29, 1986, when Edmonton Northlands will present Superodeo plus many free events: Northlands Pedigreed Seed Show, Northlands Farm and Ranch Show, Northlands Quarter Horse Show and Northlands Stock Show and Sale featuring beef and swine breeding stock.

It will be a morning of fun and fellowship, with guest speaker, entertainment and lunch. Tickets are available from Lois Rewuski at 853-2004.

Whether laughter is healthful may depend on the size of the person you are laughing at.

SPONSORS DONATE — Ron Smith of the Elk Point Lions Club (right) presents Dennis Jasinsky of the Elk Point Scouting Association with a sizeable cheque toward renovations in the Scout Hall.

Good attendance at banquet

A capacity crowd filled the Elk Point Scouting Association Hall Tuesday night for the annual Parent-Son Banquet, which was postponed from the previous week because of the very cold weather. A cake auction at the conclusion of the banquet netted over \$400.00.

Special guests at the banquet included Assistant Regional Commissioner Tom Kibblewhite, Many lakes District Commissioner Chris Cressey, auctioneer Walter Skolarchuk and Elk Point Lions Club President Ron Smith. Kibblewhite opened the evening's proceedings with the pre-dinner grace.

The sumptuous meal was followed by a number of toasts. Dennis Jasinsky Jr. gave the toast to Lord Baden-Powell, Jean-Paul Hurtubise toasted the Queen, and Cody Kurek toasted the parents, with a reply by Tom Kurek. Darren Pilisko's toast to the Leasers was answered by Marion Pilisko. Lee Wannechko told the story of the meaning of the Cup cap.

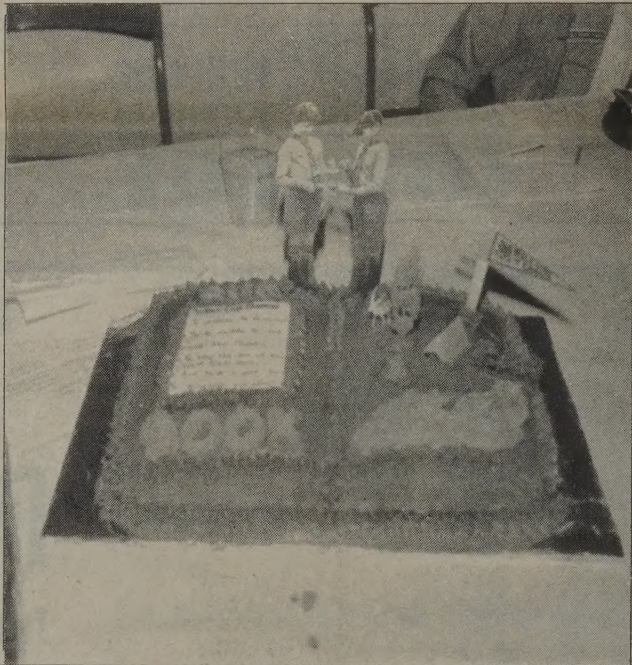

Dennis Jasinsky Sr. presented the Scouting Association charter to Ron Smith, representative of the sponsoring Lions Club. Smith presented all leaders and members with the Lions Club's 15th anniversary pins, and presented Jasinsky with a sizeable cheque toward the hall renovations.

Two other presentations were also made, with Dean Berg giving each of the Cubs a pocket knife on behalf of himself and his father, and Clayton McGinnis presented \$20 toward the hall renovations.

Badges were presented to the Cubs and Beavers by Joselien Wannechko and Marion Pilisko, with five of the Cubs receiving the Tawny Star badges, signalling the final year of their cub program. Dennis Jasinsky Jr., Dean Berg, Lee Wannechko, Jean-Paul Hurtubise and Darren Pilisko have now earned all five stars. Scout Gerald Wannechko was presented with a pin for his help with the Cubs.

District Commissioner Chris Cressey congratulated the boys on their achievements, and encouraged them to continue their involvement with the Scouting program. He also had words of praise for the new Scout Hall and for the involvement by the parents.

The three winning cakes, from a total of twenty, were then brought in and the proud creators presented with medals, before the auction began. Cody Kurek, with a handsome creation labelled "The Club Book" placed first, with a hockey rink cake made by Richard Piotrowski placing second and a sculptured riverbank scene topping the third place entry by Gerald Wannechko. The hockey rink cake brought the highest price in the auction, with Dennis Jasinsky Jr. offering a top bid of \$55.00. All twenty cakes sold to lively bidding.

GOLD MEDAL CAKE — The Cub Book, by Gerald Wannechko, took top honors at the Elk Point Scouting Association Banquet.

F.G. Miller High School awards night

By Irene Magnusson

Once again a good turn-out of parents and friends packed into the F.G. Miller High School auditorium to witness the awarding of plaques, scrolls and cheques to deserving students of the 1984-85 school year.

"All round good guy" Shaun Sheplawy M.C.'d the event, introducing Principal Bob Tredger. "Excellence is our goal," Tredger said. Academic achievement is expected, and encouraged, and the students have responded, he stated, with all-round higher scores in tests given. Involvement by all is stressed as the key to success, the award winners "reaping the benefit of involvement," the Principal concluded.

Grade 12 academic award winners were: Dyvonna Anderson; Kelly Young; Sheila Irvine; Karen Kryvenchuk, with runners up being: Adele Young; Karen Kryvenchuk; Kathy McCowan; Kelly Young; and Sue Loughran.

Karen Kryvenchuk and Kelly Young were recipients of the Rutherford Scholarship, which is given to students who achieve 80% in English and four other subjects, and is available in grades 10, 11 and 12. This award is \$500 in each of the three years.

Special Education Awards went to Joan Cardinal, gr. 7, and Shannon Tilley, gr. 8. French Awards went to

Lorelei Wickham, Sr. High and Corrine Behr, Jr. High. Ukrainian Awards went to Glenna Grykuliak, Sr. High, and Elana Yaremkevich, Jr. High, and the Accounting Award to Wanda Ference.

Computer Processing Awards were won by Malcolm Palamerek, Sr. High, and Albert Lim, Jr. High; the Awards for Art were won by Glenna Grykuliak, Sr. High, and Shelly Bepalko, Jr. High. The Award for proficiency in Drama went to Sheldon Porcina.

Awards for Leaders in the Sports field went to Sportswomen of the year, Jackie Gulayec, Jr. High and Crystal Poitras, Sr. High; and Sportsmen of the year, Albert Lim, Jr. High and Eugene Piotrowski, Sr. High, while the Brailsford Memorial Music Award was carried off by Margret Bayduza.

An interval of music entertained the guests, as teacher Don Buryn ably conducted first the Gr. 7 Band through three selections and then the grade eight Band followed with three more. The Bands have only performed together for a matter of months, yet the music produced was exact and very pleasing.

Industrial Education Awards were taken by Ronald Musijowski, Jr. High, and Blair Capjack, Sr. High; and the Food Study Award went to Kathy Mistol, Sr. High; the Home

Economics Award to Margret Bayduza, Jr. High.

Academic Honors Awards go to those students attaining an overall average of 80% or more in Language Arts, Math, Science and Social Studies. For Grade 7 these were, Honour Roll: Cynthia Adkins; Kevin Bates; Margret Bayduza; Rhonda Behr; Myra Boothman; Nathan Bosvik; Shari Fell; Katherina Ludlage; Lisa Lukevich; Jim Onusko; Linda Shmyr; Kim Smith; Teresa Walker, with Margret Bayduza achieving Highest Academic.

For Grade 8, Angel Ference and Anthony Bayduza were on the Honour Roll, with Angel Ference Highest Academic.

For Grade 9, Albert Lim; Corrine Behr and Kenny Hanson achieved the Honour Roll, with Albert Lim Highest Academic.

Senior High Academic Honours Awards go to students who achieve an overall standing of 80% or better in the academic subjects he or she is enrolled in, one of which must be English.

Grade 10 Awards went to Kathy Mistol; Tracey Boothman and Cathy Buck, with Kathy Mistol receiving Highest Academic.

Grade 11 students were Glenna Grykuliak; Marguerite Bosvik; Anna Fedorus; and Malcolm Palamerek on the Honour Roll with Glenna Grykuliak taking Highest Academic.

Grade 12 students on the Honour Roll were Karen Kryvenchuk and Kelly Young, with Karen Kryvenchuk receiving Highest Academic Award.

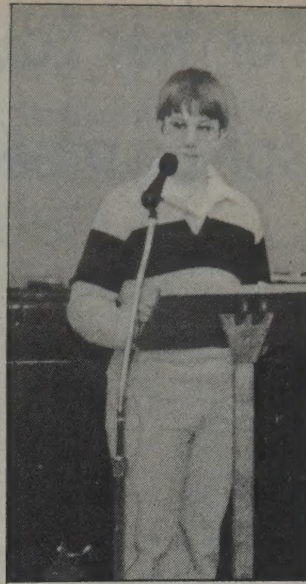

Highest Gr. 11 Matriculation, for best marks, went to Glenna Grykuliak; the Kates Memorial Award was won by Karen Kryvenchuk.

The Citizenship Award, given for "unselfish involvement in Community affairs" was won by Ron Vogel. The Dr. K.C. Miller Award, given for the best all-round student, showing good academic, sports, and attitude, was received by Lane Lorenson.

Tredger thanked the parents for attending, Millie's Flowers for the floral arrangements, and the Award-winning students, who are a credit to the school.

Special thanks were extended to all those whose generous donations make the Awards Night possible and the success it is.

Donors to the F.G. Miller Awards Night are: Elk Point Elks, Elk Point Hospital, Vogel's U.F.A., Universal Bottle Depot, George's Gen. Garage, Work Wearhouse, John & Mary Wozniak, C.B.M. Confectionary, Phil's Hardware, John Oryschuk Trucking, E.P. & Dist. Hist. Soc., Singles Styles, Rhondaray Confectionary, Treasury Branch, Higgins Travel, Canadian Salt Company, E.P. & Dist. Lions, Dr. K.C. Miller, J & P Koska Holdings, Elk Point R.C.M.P., Dr. F. Estey, Town of Elk Point, OK 3 Bakery Ltd., Sew & Knit, E.P. & Dist. Chamber, Toronto Dominion Bank, Windsor Club, E.P. ELK POINT

Further Education spring meeting

By Irene Magnusson

Elk Point and District Further Education Association gathered for their spring meeting at 7:00 p.m., February 24th, in the F.G. Miller High School, following smorg at the Empress. Nineteen members attend-

ed this annual meeting. Following reading of minutes from the fall meeting, the Financial Report, Statement of Net Worth and the Balance Sheet were dealt with. Lawrence Modin again has audited the accounts, and finds all in order. The association has considerable funds on hand, after expenses paid. This is mostly due to the small number of programs which got under way in the fall.

Several reasons for this were put forward: late advertising; cold November; too much going on; and lack of interest. This same lack of interest was also evident in courses offered by Alberta Agriculture and Lakeland College.

No programs at all got off the ground in the fall at Heinsburg, only four in Elk Point. There are, however, quite a number either going on now, or soon to start.

In Heinsburg, Marie Zayac reported, Caligraphy is currently going, while Ladies' Carpentry starts March 4th, Lady Beware opens March 10th, with Hair Care and Cake Decoration slated for April.

Spring programs in or near Elk Point are: Cross Country Skiing; Floral Design and Photography, while Beginner's Crochet, Caligraphy and Aerobics are also underway.

Kirsty Piquette, D.A., reported offering a Life-saving course, which drew 20 people, and a Financial

Management course at St. Vincent, in which 11 couples took part. Her feelings was that farmers in the area have many concerns with damp grains, etc., and so were not inclined to take courses.

John Dahmer of Lakeland College also reported enrollment was down, citing the drop in oil prices as perhaps having an effect.

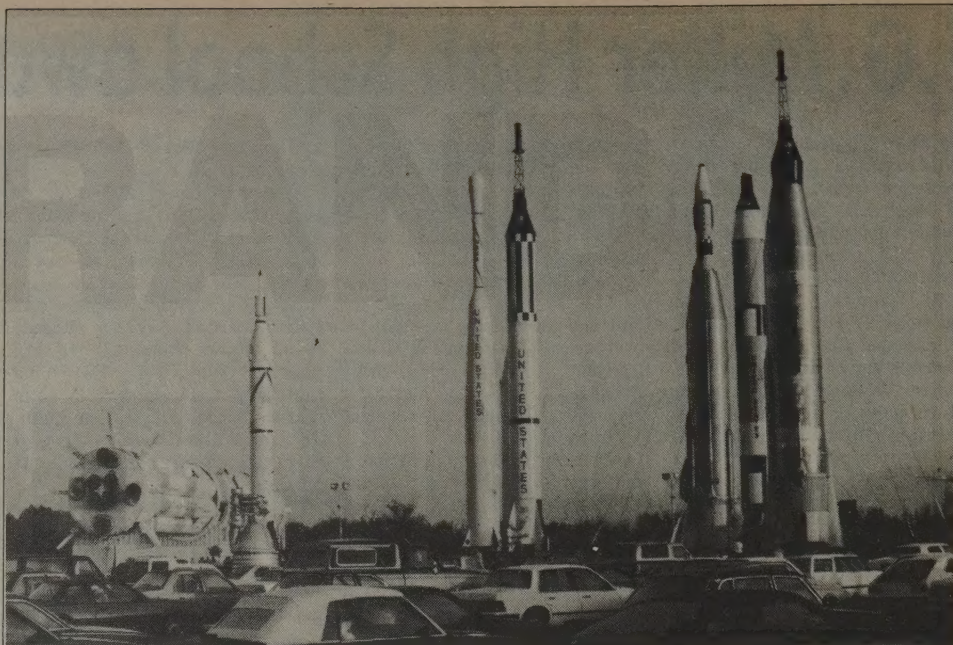

Some suggestions for coming courses included: First Aid (re care of children); Safety for Farm Wives; Defensive Driving, and Marie Buck, F.C.S.S. Director, stated that she was arranging a St. John's Ambulance course, for Day Care programs. Some of these courses require as many as eighteen trainees to qualify for grant funding.

Laverne Wilson, Further Ed. Chairman, called for nominations for Chairperson and Vice-Chairperson. Receiving no nominations and no volunteers, Wilson agreed to remain in the position until the fall meeting. He had planned to retire due to work load. Margret Modin, nominated by Bob Smith, agreed to continue as Vice-Chairperson.

Gail Kozicky, Secretary and Coordinator reported the opportunity of the group to purchase a part-interest in a copying-machine, which is already in the office building. This was agreed to.

The date for the A.C.C.E. convention was unavailable; a delegate to attend this will be sought when the date is known.

John Dahmer stated that several items of office equipment will be brought to the office and may be shared in use by Fur. Ed. Adjourned at 9:30 p.m.

THESE GIANT 'CONES' ARE 'OLD' USED SPACE ROCKETS — Seen at the Kennedy Space Center, Cape Canarvel, Florida. The object at left is a rocket lying on its side on a carrier, the 'horns' sticking

out being its feet, on which it rests when stood erect. (Taken after the launch, Jan. 12/86.)

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

Hedley and Annie Dennill went on a trip to Hawaii for two weeks some time ago. Frank Smith went up to Edmonton for a check up last week.

The Dewberry and district ladies birthday club party was held at Jessie Bowman's home on February 19th. The Greenlawn Goodwill Ladies club had a quilting bee at the Dewberry Seniors Drop-In Centre February 18th with a good turnout.

The Dewberry Mustangs hockey team went to Coronation on Sunday, February 23rd by Lakeland bus from Vermilion. Some others went along to cheer them on.

Lloydminster held their 1st annual Atom A Invitational Hockey Tournament from February 21st to 23rd and used the Dewberry rink part of the time as there was twelve rinks entered. The Dewberry Colts won the B title with an 8-4 victory over the Camrose Cougars. The star of the game was Dewberry's Robby Butz who got four goals and set up two others in the first period. Dewberry won a 4-1 victory over Lloydminster in the semi-finals. In the shootout Dewberry's Marty Butz won, and the top goaltender was Jason Denis of Meadow Lake. February 23rd (Flyweights) at Dewberry, Vermilion 0 - Dewberry 4.

I have missed all the February Mustang's hockey games and a lot of the minor hockey games. If anyone has the scores since February 1st, I would like to get them.

Our weather has been cold the last few days. From February 15th to February 22nd, the low was -45 below F to Zero F. Today, February 24th, it is 40 above F in the shade. I think that's why there is so much sickness, 40 F below one week and 40 F above the next week.

Our Drop-In Centre will be busy this week as there will be a Horticultural meeting, a pot luck supper and also a visit from the Clondonald and Islay Senior Citizens Centre's.

Out our way

By Mildred Dunham
Ferguson Flats Correspondent

Everyone is enjoying the beautiful spring-like weather this week. It seemed odd to see the geese & ducks swimming in the pond at the end of February. It's around to that time of year when farmers ask each other, "Any calves yet?" As for myself, I'm

thankful to see the ice melted off the roads.

Out Primrose way, Marge Heffernann had her daughter Pat out from Edmonton for the weekend. Her grandchildren, Stuart & Lisa from St. Paul stayed with her over the weekend while their parents were away to Thunder Bay, Ont. Stuart Muirhead curled there with his

A.G.T. team.

Dennis Heffernann & Jimmy Bodnar were away to Calgary for the weekend for their steam course. Dennis says there's no snow from Calgary to Camrose and the crows, robins & geese are back.

An aunt of mine, Mary Berezon of Honey, B.C. passed away on Feb. 28th. She was a former resident of Primrose about forty years ago and although she was handicapped, (deaf from the age of five), she was always ready to visit with written speech or sign.

Ferguson Flats held their Whist Drive on March 1st. Although there were only four & a half tables it was a fun evening. The 1st prize in the men's was won by Brent Okermann (deck of cards), 2nd by Jesse Hillebrand (screwdriver set). 1st for ladies went to Olga Okermann (a cosmetic kit), while Marge Heffernann won 2nd (portholders). Kim Seward got a mug for the travelling prize.

Most of Lindbergh is talking about the wedding that took place this weekend. Lynn Frisby & Larry Kalenchuk were united in marriage at the United Church at Elk Point on March 1st. She had four bridesmaids and one matron of honor. The bride wore a gorgeous gown with matching hat and flower trimmed muff. The bridesmaids wore long blue gowns with matching hats and flower trimmed feather fans, the best men wore grey tuxedos and the groom a white tuxedo. The bride's mother wore a blue dress and the mother of the groom wore pink. All told it was a super wedding except for one little dark cloud. The bride's sister Janice could not attend the wedding as she has gone to Mexico for medical reasons. The happy couple plan to live in Elk Point.

AOC

FINANCING ALBERTA BUSINESS

The Alberta Opportunity Company provides financial and counselling assistance to small business enterprises.

Wrapped Up In His Work!

Ron Brown had a sound idea to make cardboard boxes, corrugated cartons and labels. In addition, he planned on manufacturing the warehouse equipment required to move and store his product.

Financing was a problem however. So Ron approached the AOC. The AOC saw potential in his idea and supplied the financing Ron needed.

Today Shippers Supply Ltd. of Edmonton employs 31 people and expansion is planned through increasing national sales.

Ron's idea seems to have blown the lid off the packaging industry.

If you have a sound business idea, but you're unable to obtain financing through regular sources, call or visit your nearest AOC office and ask for our brochure, *Financing Alberta Business*.

Your nearest AOC office is in St. Paul, 645-6356

AOC has offices in Brooks, Calgary, Edmonton, Edson, Grande Prairie, Lethbridge, Lloydminster, Medicine Hat, Peace River, Red Deer, St. Paul, and its head office is located in Ponoka.

NOTICE OF HEARING

**LINDBERGH AND FROG LAKE SECTORS
APPLICATION NO. 860168
PANCANADIAN PETROLEUM LIMITED**

TAKE NOTICE that the Energy Resources Conservation Board will hold a public hearing at the Elks Hall, Elk Point, Alberta, commencing on Tuesday, 3 June 1986, at the hour of 9:00 a.m., for the purpose of hearing representations respecting an application by PanCanadian Petroleum Limited for approval of Phase 1 of a 3-phase commercial oil sands project.

The applicant has proposed a commercial oil sands project designed to recover crude bitumen from the Cold Lake Oil Sands Deposit from a 16-section development area in the Lindbergh and Frog Lake Sectors, as shown on the attached map. Phase 1 of the project would involve:

- the phased development of a thermal (cyclic steam stimulation) project in Section 7 of Township 55, Range 5 and Section 3 of Township 56, Range 6, both West of the 4th Meridian, and which are currently subject to experimental schemes under Board Approvals No. 4356 and 4680;
- the inclusion of 113 existing wells located within the proposed commercial development area;
- the reduction in the size of a drilling spacing unit for a well from 64 hectares to 16 hectares in the following areas:
 - IN TOWNSHIP 55, RANGE 3, WEST OF THE 4TH MERIDIAN: Sections 27 & 33, AND
 - IN TOWNSHIP 56, RANGE 3, WEST OF THE 4TH MERIDIAN: Sections 3, 5, 7 and 9, AND
 - IN TOWNSHIP 56, RANGE 6, WEST OF THE 4TH MERIDIAN: Section 19.
- the continued development of primary production wells on 16-hectare spacing in the following areas:
 - IN TOWNSHIP 55, RANGE 4, WEST OF THE 4TH MERIDIAN: Sections 7 and 17, AND
 - IN TOWNSHIP 55, RANGE 5, WEST OF THE 4TH MERIDIAN: Sections 17 and 23, AND
 - IN TOWNSHIP 55, RANGE 6, WEST OF THE 4TH MERIDIAN: Section 23, AND
 - IN TOWNSHIP 56, RANGE 5, WEST OF THE 4TH MERIDIAN: Section 19, AND
 - IN TOWNSHIP 56, RANGE 6, WEST OF THE 4TH MERIDIAN: Section 23.

5. the inclusion and expansion of the existing central processing plant, located in Legal Subdivision 6 of Section 3, Township 56, Range 6, West of the 4th Meridian, from 500 to 750 cubic metres per day.

In providing this early notice of hearing, the Board recognizes that the application in its present form may be deficient in some areas. Notwithstanding this point, the Board believes that it is important to give potentially affected and interested persons as much time as possible to review the broad details of the project and to determine if there are any impacts which have not been adequately addressed by the applicant. In any event, a complete application, including any supplementary information which may be submitted by the applicant, will be available by 18 April 1986. If a complete application is not available by that date, the date for the hearing will be adjusted accordingly.

Copies of the application may be obtained by interested persons from the applicant, PanCanadian Petroleum Limited, (Attention: M. Metwally), P.O. Box 2850, Calgary, Alberta, T2P 2S5.

Copies of the application are available for public viewing at the Board's Records Centre at the address set out below, and at the Elk Point Energy Information Centre in the Elk Point Library, 5123-50 Avenue, Elk Point, Alberta.

Any persons intending to make a submission with respect to this application shall file, on or before 20 May 1986, ten copies of the submission with the Board at the address set out below and two copies with the applicant at its above address in accordance with the Board's Rules of Practice, copies of which may be obtained from any Board office.

AND FURTHER TAKE NOTICE that submissions relating exclusively to matters of compensation for land usage are beyond the jurisdiction of the Energy Resources Conservation Board.

AND FURTHER TAKE NOTICE that if the Board has not received submissions opposing the application by the submission date as set out above, the hearing will not proceed.

DATED at Calgary, Alberta on 21 February 1986.
